

HAPPY MOTHER'S DAY

Please pray for...

- Our 2022 Graduates. So many senior activities, pray they are able to stay grounded in Christ.
- Our Country, Our State, and Our Community, as global tension builds around the Ukraine.
- Roberta Royster– Continues to recover in Kent Hospital. Visitors sparingly welcome.
- Fred Paine: His wife has been diagnosed with stage 4 cancer.
- Mr. Steven Cedrone, Dee's birth mother's husband, was diagnosed with stage 4 esophageal cancer. In the middle of the week, they sent word to us asking for prayer.
- Gail Rosullio– Only 3 more chemo treatments to go! She is still in pain from surgery & daughter Jessica had her baby.

Praise Report:

1. Bloom Teen Challenge– Today we witness Olivia and her mom Mechelle get baptized.
3. Fernanda Baptista: Has made it to YWAM (Youth With A Mission) headquarters for study and missions training. Pray for Fernanda.
4. Roberta Royster can receive nutrition and will soon be admitted into rehabilitation. We continue to pray for a miraculous recovery.
