The other half She continues to pray and trust God for. •Most of her classmates already have raised the required funds for the outreach, and now work hard to help those who haven't raised everything, like me. they have created t-shirts to sell and raise money for the class. plus a Go Fund Me account. Fernanda has provided links at the bottom to share with people who may be interested. Above all, please pray for her.

# CAMP 2022

### **Assembly of God Summer Camp**

### **Evangelical Christian Center**

**574 Ashford Rd. Ashford, CT 06278**

Our camps are jam packed with team building activities, recreational opportunities as well as spirit led worship and powerful teaching from the word of God. It is our priority to provide a place where students can learn about God and then put what they have learned into action. Many have noted calls into ministry, salvation decisions and spiritual growth as a result of what God does in the hearts of our students while at camp.
